

**Cancer of the Nose.**  
In 1875 a sore appeared on my nose, and grew rapidly. As my father had cancer, and my husband died of it, I became alarmed, and consulted my physician. His treatment did no good, and the sore grew larger and worse in every way until I had concluded that I was to die from its effects. I was persuaded to take S. B. S. and a few bottles cured me. This was after all the doctors and other medicines had failed. I have had no return of the cancer.

#### BUSINESS AND PLEASURE.

**Give the Children a Chance.**  
There is something radically wrong with the health of a child when it seems listless, has poor or no appetite, eyes sunken and with dark skin beneath. In most cases showing these symptoms the child has worms, and all that it needs is some simple remedy, such as Hart's Worm Cream, to expel the worms, and the child will soon be in perfect health again. Parents, try it and let your little ones have a fair chance for life.

The summer girl's returned from the mountain and the shore; They welcome her again with joy at home. Where she yanks her little brother, and bosses her poor mother. And makes the old piano creek and groan.
